About Preorders & Backorders

Products in stock at time of purchase will ship the same day if received by 2:00pm ET. In some cases we offer product before it is available for shipment. When that occurs or if an item goes into backorder you will be notified of the approximate shipment date at the time you place your order.

We will ship your products as soon as they become available. You will only be charged one shipping fee. And we will never charge your credit card for any product until it ships to you from our warehouse. Out of stock products may take up to 90 days or more from order for shipment.
